The Importance of Adopting an Outside-In Approach in HR

The Importance of Adopting an Outside-In Approach in HR In today's rapidly changing business landscape, it is crucial for HR departments to adopt an outside-in approach. This means that HR should prioritize the needs of external stakeholders, particularly customers, and enable employees to better serve them. By taking this approach, HR can play a critical role in driving organizational success ...

The Human Capability Mindset: Optimist * Pessimist = Realist with Pragmatic Hope

I saw buds on our bushes today. Spring often represents renewal. This year, the Easter holiday and Ramadan/EID overlap, each symbolizing commitment to growth. This season leads me to reflect on how to create a mindset of renewal by understanding both pessimism and optimism, and how these attitudes show up in human capability (talent + leadership + organization + HR). ...
